

ResNet 2008 Newsletter

Vol 1 Issue 9, June 2, 2008

Registration Extended

We have extended registration for the Symposium until June 5 at midnight and the late-registration price is only \$560. No registrations will be processed after June 5. Register at <http://www.regonline.com/resnet2008>. The Air Canada Seat Sale we mentioned last week is still available until June 5th so if you book now there might be a great price on your flight. We're looking forward to welcoming everyone to Fredericton!

Registration Updates

To make sure your time here is pleasant we need to get final information compiled for afternoon activities, shuttles and accommodations – please check your registration to make sure you've signed up for the things you wanted to and to double check that you've provided accurate information for the shuttle pick-up times and dates as we will be making specific plans based on the information provided (if you've not signed up for a shuttle you are responsible for your own travel to the hotel or campus as we'll only be planning for enough capacity for those who have requested it). The deadline for all updates is June 5 at midnight.

PDS Sessions

There are still open spots in the PDS sessions so consider arriving early to take in one of the PDS sessions on topics such as Team Builders and Ice Breakers, You Might As Well Be Happy, DISC Profiles, Giving Effective Presentations, Campus Safety and Security in a Cyber World and Dealing with Difficult People. The deadline to register for PDS sessions is June 5 at midnight.

Final Newsletter

This is the last installment of the ResNet 2008 newsletter, thank you for your time and attention – we will be communicating with registered ResNetters via the online registration system for the next few weeks.
