

ResNet 2008 Newsletter

Vol 1 Issue 8, May 28, 2008

Deadline to register

Please note that if you've been procrastinating on registering for the Symposium, please note that the last day to register is June 1! Register by June 1st by clicking [HERE](#). Air Canada just announced a North American Seat Sale (available until June 5) so if you book now there might be a great price on your flight. We have a fantastic program, great entertainment, and lots of delicious food lined up! We're looking forward to welcoming everyone to Fredericton – you won't want to miss this conference!

Plan to attend the Vendor Fair & Raffle

The ResNet Symposium would not be as successful as it is without the support of our vendors. This year we've lined up generous support from many vendors whom you can meet at the Vendor Fair on Tuesday June 24. Bring lots of business cards to enter to win prizes at the Vendor Raffle and come prepared with lots of questions to find out how the vendors can help you or your school. There will also be vendor tracks during the vendor fair so you can see demos and learn more about their products and services. Because we know how important food can be at this conference, we also have a great menu lined up to keep you fueled while you're meeting with the vendors!

Special Events to entertain you!

Plan to attend all of the special events we have planned including:

Saturday June 21: Opening reception featuring Irish Dancers, cash bar, and lots of tasty hors d'oeuvres.

Sunday June 22: T-Shirt Exchange at Supper (bring any new t-shirt with you to participate in this ResNet tradition!), followed by ResNet Jeopardy and the Geek Olympics. Also, if you're up for exploring off-campus, on Sunday nights Fredericton shows classic movies under the stars our Historic Garrison District – admission is free and shows start as soon as it is dark (approximately 9:30pm).

Monday June 23: Sign up now for afternoon activities or visit with the Fredericton Tourism staff who will be at the registration desk to explore the area all afternoon. ResNetters are on their own for supper and we'll supply you with a discount card for 15% off at some of the downtown restaurants.

Tuesday June 24: The closing event will be a Maritime Kitchen Party in Officer's Square downtown. Join us for lobster, drinks, an official Changing of the Guard Ceremony, and lively music from Bottom's Up!

Sign up now for PDS, ResNet Shuttle, accommodations and afternoon activities

If you have already registered but have not signed up for [PDS](#), the [ResNet Shuttle](#), [on-campus accommodations](#) or [afternoon activities](#) you can do so now by clicking [HERE](#) and selecting "already registered" and entering your email and password. You can also use the confirmation email you received, click on the link to the Registration Record and then select the button and the top that says "Change My Registration". We are now making final arrangements for PDS, the shuttle, accommodations and afternoon activities so sign up now to avoid disappointment!

From Left: Residence which will house ResNetters, also the location for the Registration Desk, Geek Olympics, ResNet Jeopardy, and the Snack Room! ; Old Arts Building the oldest University building still in operation in North America ; Student Union Building, the location for the Opening Reception, Vendor & Doc Fair, and also home to Tim Horton's for your coffee fix ; Residence Administration Building (where Chris & Michelle work) and view of the city.
